Keystone is a winter wonderland with more than 3,000 acres of skiable terrain across three peaks and five bowls. From night skiing, snow tubing and the World's Largest Mountaintop Snow Fort, to ice skating, sleigh rides and more, there is tons of fun to be had from sunup to sundown, on the slopes and off.

The Keystone Resort ski area occupies 3 separate mountains: Dercum Mountain, North Peak, and The Outback. Recent expansion of terrain and services offers snow cat skiing in Independence Bowl, Bergman Bowl, Erickson Bowl, in addition to the existing North Bowl and South Bowl on Wapiti Peak. The resort has many summer and winter outdoor activities. The winter activities include alpine skiing, snowboarding, tubing, ice-skating, cross-country skiing, horse-drawn sleigh ride dinners, and snowmobiling.

Trip Director: Frances Christmon
